

# LAKE WORTH PEDIATRICS

We are a group of experienced board certified pediatricians, registered nurse practitioners and compassionate staff. This practice was established in 1995 by Dr. Nagarakere Shankaraiah, a well known and respected physician in the community. Over time the practice has become well established due to his experience, devotion and professionalism. Our physicians and office staff consider it a privilege to provide the highest quality medical care to your children.

## Services offered

At Lake Worth Pediatrics we offer comprehensive medical care from birth to 18 years of age. Our services include the following: well child visits, routine immunizations, sports physicals, vision and hearing screenings, counseling on nutrition, safety behavior and other important topics. Our providers are experienced in managing a wide variety of acute and chronic illnesses.

## MEDICAL HOME

We are designed and structured as a medical home known for providing a comprehensive, continuous, team-based, coordinated, accessible medical care. We focus on quality and safety.

We work closely with a large network of specialists in the community in the event your child is in need of more extensive, specialized medical care.

Our bilingual staff will be able to provide services to meet the language needs.
